Dear Joaquim,

We are pleased to offer you an internship with **Intelloger Software Private Limited** as a **Software Developer - Intern** at our Mumbai office. Your internship will begin on **16th October 2024** and will continue for **6 months**, subject to satisfactory performance.

Stipend:

You will receive a stipend of **₹4,000 per month**. As an intern, you will not be entitled to employee benefits like insurance, paid holidays, or sick leave.

Work Schedule:

Working hours will be **10:00 AM to 6:00 PM**, Monday to Saturday. Weekly offs and holidays will be as per company policy and may be adjusted on a rotational basis.

Termination/Resignation:

The internship may be terminated by either party at any time. If you choose to resign, a **3-month notice** or equivalent stipend in lieu is required. Early release is subject to managerial discretion.

Confidentiality:

You are expected to maintain strict confidentiality of any company information or intellectual property you may access during your internship.

Other Terms:

You are expected to adhere to all company rules and conduct policies. Your performance will be reviewed before the end of the internship, and based on the outcome, you may be offered a full-time position as a **Software Developer**.

We look forward to having you with us and hope this internship will be a valuable experience.
